

Colorado SkillsUSA Contest Certification Application

For any skills contest that has only one school competing, the district results can be certified as the state results at the discretion of the state Advisor. Completion of this application returned to the state Advisor **MUST** be filed prior to that school's district competition and required documentation sent to the state Advisor prior to the state contest in order for a contest to be recognized at the state contest.

The following documentation is required before certification will be granted:

- Completed certification application
- List of contest judges and contact information.
- Signed judge's results sheets from local contest.
- Copy of contest specifications/requirements (include a copy of the hand-on contest activity and written test if applicable).
- Proof of student completion. (pictures, video of contest, completed project etc.)
