## 2009 Fall Leadership Conference

### About Our Speaker: Ted Wiese

Known as one of America's best youth leadership development consultants, Ted Wiese works with thousands of students every year to teach and enhance their leadership skills. Ted is in the business of making students believe they can make a difference - and he teaches them how to do it! From starting his career with Junior Achievement to establishing Wiese Training and Development, LLC, Ted's dynamic and engaging programs have gained him a strong reputation for delivering results.

For years, the students at Ted's presentations have laughed while they learned. His fun-filled keynotes contain contagious laughter coupled with a strong message, while his activity-oriented workshops develop student leadership skills in an energetic, highly interactive, humorous and effective manner. With wit, wisdom, real-life stories and a whole lot of fun, his programs leave students with information and skills to take back to school, ideas to put into action, and something good to talk about in the days and months ahead.

In addition to his own programs, Ted is also a senior presenter for both the NCAA "Stay In Bounds" High School Ambassadors Program and the Kick-Off Mentoring Program.
